

THE ASSOCIATION OF NORTHERN CAR CLUBS

AUTOTEST CHAMPIONSHIP 2007

REGULATIONS

1. ANNOUNCEMENT

The Association of Northern Car Clubs will promote an Autotest Championship during 2007 to be known as the ANCC Autotest Championship 2007.

It is a class based championship, which is intended to provide all comers with a reasonably equal opportunity of achieving success, whatever type of car they choose to drive in the competition.

2. PERMIT No.

MSA Championship Registration No. 47 / 2007

3. ELIGIBILITY

The Championship is open to every member of all the member clubs of the Association of Northern Car Clubs.

4. REGISTRATION

The registration fee of **£10.00** should be sent to:

**Graham S. Whitaker,
ANCC Autotest Championship Coordinator,
3 North Close, Leeds, LS8 2NE,**

together with a completed registration form (cheques/PO's payable to 'ANCC Autotest Championship' please). Registration must be effected PRIOR to an event in order to score points in that event.

5. CLASSES

1. Minis and their variants only up to and including 1100cc (excluding BMW Mini)
2. Front wheel drive saloons (including BMW Mini, excluding classes 1 and 4)
3. All rear wheel drive saloons
4. Minis and their variants over 1100cc (excluding BMW Mini)
5. All sports cars
6. All specials

6. SCORING

- 6.1 Points will be awarded to all registered competitors in each class according to their class position as follows: 1st in class, 20 points; down to 19th in class, 2 points. All other classified finishers will be awarded 1 point each. Non-finishers and retirements will receive 0 points. 1st overall (FTD) is classified as 1st in class, the rest of that class scoring accordingly.
- 6.2 Points will be scored using the actual event classes, including class mergers, and may not be the classes of this Championship. Points scored in such classes will be credited to the competitors' Championship class. It is felt that this better reflects the level of competition encountered on the day.
- 6.3 Ties will be resolved as follows: the winner is the one with the highest score from the number of qualifying rounds attempted as set out in 6.4 and 6.5 from those events on which the tied competitors have competed against each other. Then it is whoever made the highest score first.
If a tie remains, then on the first event on which they both competed together, they will be awarded a point for whenever they beat their next competitor in their class on each test over all the tests on the day by the biggest margin. The winner being the one with most points. Should a tie still exist, the one who beat his next competitor on the first test by the largest margin will be the winner. Then the 2nd test and so on until the tie is resolved.
- 6.4 Regarding event cancellations, there will be no change in the number of qualifying rounds required down to and including 12 events, then for up to every 2 events cancelled, 1 less will count for the Championship.
- 6.5 The ANCC Autotest Champion will be the registered contender who scores the highest number of points from 8 or fewer events (minimum 5).
