ANCC AUTOTEST CHAMPIONSHIP 2008

BULLETIN No. 01/ 2008 (Issued 24 April 2008)

Hi All

Here we go again, after delays in getting the Championship Regulations out it did not delay in receiving registrations for this years Championship. I thank you for that, the result being that before Round 1 took place we had 10 registrations – a very good start.

This year we have a slightly reduced number of rounds with one or two going by the wayside but some replaced with popular additional events that all being well be guaranteed to run.

Round 1 was the Bolton le Moors CC qualifier for various Championships including the MSA and BTRDA, this guaranteed a good quality entry, to that end we had 8 of our 10 registered contenders entered, the other 2 were on holiday. It was noted that a further 8 entries on this first event had apparently indicated that they had entered the ANCC Championship, but to date I have not received completed Registration forms. As a result of this I have included those people and last years registered contenders not yet registered for this year in the results attached, in good faith, on the assumption that there registrations are forthcoming, if not they will then be erased from the Championship results. Stephen Morten will be contacting those people on Round 2 on my behalf, others I will catch up with in due course.

As far as the first event was concerned it would appear a little rustiness was evident with some washouts, maximums and pylons scattered around the results sheet. They say practice makes perfect so I hope that you will enter this weekends first visit of two this year to Hartlepool & DMC. This particular but popular organisation is not a round of a major Championship but just ANCC and local invited Clubs, but I hope you will enter to gain the practice for future rounds – Regulations attached if you have not entered please give them a call.

Just a note about 2009, what, you say we have only just started 2008, but it sometimes pays to plan ahead. As an Association Championship we do try and spread our wings to all corners of our area and I have had a request from **DURHAM AC** (Tom Hall) to be considered for one of their events to be included in the 2009 Championship. Bearing in mind that last year we had 4 Durham AC members registered for the Championship and hopefully 5 this year. Please think about it and talk/communicate with me and/or Tom who is entered all being well for Round 2.

As in previous years I would like to thank all who supported the Championship last year and hope that you will join/rejoin us this year, if you have not done so already. The registration fee is still only a giveaway £10 per registration, with the continuing incentive of a Parent/Offspring 'Team Challenge'. **IT IS NOT TOO LATE TO REGISTER**, I therefore enclose a copy of the Championship Regulations to encourage you to enter, especially classes 1,2, & 3..

As we are and event organisers are increasingly being dependant on electronic technology, it is necessary to notify the Championship Coordinator if there is a change to any of the following:

- **Connected to the internet – please provide e-mail address**
- **Disconnected from the internet**
- **Change e-mail address**

If you have any queries please contact me as above and I look forward to receiving your Registrations.
