ANCC AUTOTEST CHAMPIONSHIP 2008

BULLETIN No. 10/ 2008 (Issued 03 October 2008)

Hi All

Now to the last of then three 'catch up' Bulletins' to bring you all upto date, Round 9 event organized by Lancs & Cheshire CC on 28 September 2008.

Obviously with the top British Championships involved there was a noticeable increase in the entry level, with a total entry of 25 including 12 ANCC registered ANCC Autotest competitors.

Both Mini Classes were amalgamated and ended with Howard Everingham finishing 2nd and David Goodlad ending the day in 4th.

In the large saloon Class, Lee Valentine just about 'walked' away with the Class win and Carl Sams took 2nd after a close tussle with John Moffat.

The Sports Car Class comprised all ANCC registered competitors bar one and finally headed by Richard Pinkney who had the edge over Stephen Morten in 2nd although was a close second. Even close in 3rd, by two seconds, was Ian Chapman with Ben Morten in 5th and Keith Walton in 6th.

The Final Class, the Specials, was represented by Duncan Wild who took FTD, with David & Roy Higginson 6th and 7th in Class in their shared Mini Special.

Within the ANCC Championship, yet again in Classes 1,2 & 4 there is no change, and in Class 5 Ian Chapman and Ben Morten are still in 1st and 2nd with Stephen Morten making a late bid sharing 5th with Keith Walton.

In Class 6 Duncan Wild has now taken over 1st slot just edging Steven Haigh by 2 points thus demoting David Mosey to 3rd.

In the overall position Howard Everingham seems to have it all stitched up.

If you have any queries please contact me as above.

REMINDER:

Round 11 which was to be organised by Kirby Lonsdale MC has had to be **CANCELLED**, primarily due to the ownership of the site changing hands and the new owners will not allow any 'non production events on their site'. This decision was taken after a lot of time being expended it trying to source a new venue until time ran out. Let us hope that all will be sorted for next year.

That now leaves Ilkley & DMC, who are using a new site at the Askham Bryan College near York, and the Knutsford & DMC events to run so please get your entries in and let us see if we can end in a flourish and have full house entries. As nearly all registered competitors have now qualified with the minimum number of five rounds, dropped scores will shortly come into play which could close up the tables.
