## **ANCC AUTOTEST CHAMPIONSHIP 2008**

**BULLETIN No. 04/ 2008 (Issued 26 May 2008)**

Hi All

The latest update unfortunately is short and sweet. It is disappointing for me to have to report that after a good start to the Championship I now have to report that the entry for the csma (NW) Round 3 Autotest had a total of SIX entries. This must be the lowest entry to an event to date that actually ran – at least the organisers decided to run the event and I appreciate their tolerance. After the hard work of organisers, trying to accommodate the Championship and myself in trying to put together a few events that will run, it is more disappointing in that this event over the last couple of years has had treble this entry.

It was not helped with the Inter Association Autotest being held the previous day in Northern Ireland. One hopeful entrant for this event was Howard Everingham who ran out drive shafts the previous day and had to give this one a miss. Then, Stephen & Ben Morten, who both competed in Ireland the previous day suffered terminal problems with their RAW Striker and had to book an early bath. That left the already depleted entry, of David and Roy Higginson and Stephen Haigh to have some fun, with past registered ANCC Championship competitor, Steve Johnson for company. On going through the results it is noted that there were few penalties awarded.

With the entry so low it meant that some 32 tests were run, therefore these people must have been tired by the end of the day. I must that csma (NW) for being brave enough to continue and hope that the numbers are appreciably higher later in the year. I also appreciate those that made the effort to enter – thank you and well done. It is fortunate that Steve Johnson and Steve Butler and team do not give up easily as this sort of response would make many give up.

Please remember, it would be appreciated if anyone entered on events, had a snippet of information that they could e-mail to me in order that I can make up a true report instead of my concocted drivell.

### **REMINDER:**

- **CHANGE OF DATE: Round 10 - Ilkley & DMC** event will now run on **05 October 2008** **NOT** 12 October 2008. I thank Ilkley & DMC for this welcome change and co-operation top alleviate a concentration of dates towards the end of the Championship.
