ANCC AUTOTEST CHAMPIONSHIP 2008

BULLETIN No. 05/ 2008 (Issued 18 July 2008)

Hi All

Apologies for the delay in forwarding this Bulletin, unfortunately my time has been taken out with organising two race meetings and attending the Goodwood Festival.

The Hartlepool & DMC Autotest Round 4 of our Championship had a reasonable entry, although the numbers this year appear to be down on last years, nevertheless we had a good turnout by supplying more than half the entry.

With one or two WD's and Maximums plus plenty of penalties kept the urge going, but with some of the maximums and WD's it might appear that brain fade was in evidence. Even with Richard Pinkney unusually picking up a number of WD's

Within the Championship the leaders in Class's 1, 2 and 4 did not change, With Keith Walton second b1st in Class 5 on his own ahead of Ian Chapman. In Class 6 Steven Haigh took the lead position from David Sowman who did not make the trip. Finally Ian and Christopher Chapman retained the Parent and Offspring class.

Please remember, it would be appreciated if anyone entered on events, had a snippet of information that they could e-mail to me in order that I can make up a true report instead of my concocted drive.

REMINDER:

- **CHANGE OF DATE: Round 10 - Ilkley & DMC** event will now run on **05 October 2008 NOT** 12 October 2008. I thank Ilkley & DMC for this welcome change and co-operation to alleviate a concentration of dates towards the end of the Championship.
