## **ANCC AUTOTEST CHAMPIONSHIP 2009**

### **BULLETIN No. 02/ 2009 (Issued 26 March 2009)**

Hi All

With four weeks to the first round of this years Championship it is pleasing to report that half of last year's registered competitors have re-registered, which leads me onto a reminder it is not too late to register. I attach a copy of the Regulations just in case you have mislaid them or even lost them – look forward to receiving your registration.

This must be a record as this is the second Bulletin BEFORE the Championship starts! The main reason for this is to announce an amendment to the regulations as I have been asked by the Association to include a class for Road Going Cars (with M.O.T. if applicable). This follows the initiative of the BTRDA who also have included a similar class in their Championship.

This inclusion is to try and attract 'new blood' into the Autotest 'family' without having to compete in the same classes as the experts, to this end it will only have a maximum of five rounds to count, from the events included in the main Championship – see flyer attached.

The first round is a few weeks away - Round 1 Bolton le Moors CC event on 26 April 2009, Peter Sharples is on the ball with the issue of his regulations attached.

Also attached are the Regulations for the csma (NW) event on 17 May, a discount is available for the 'early birds'.

Finally a note on the awards evening which appears to have been a success, we had more photos than award winners – only two turned up. I therefore have the job of getting rid of these awards – you know who you are, therefore it would be appreciated if you contact me to arrange collection/delivery as I have gone to the trouble of buying your rewards and carting them backwards and forwards.

If you have any queries please contact me.

#### ***Next Rounds:***

***Round 1 – 26 April – Bolton le Moors CC – Contact – Julie Sharples – 01772 626 116 \****
