## **ANCC AUTOTEST CHAMPIONSHIP 2009**

### **BULLETIN No. 04/ 2009 (Issued 08 June 2009)**

Hi All

This is only a short report and update for various reasons, holidays and pressure of 'work'.

Round 2 was organised by csma/Accrington MSC and included many aspects of Autotest, to suit all tastes. The overall event entry was good, but the National B Championship Autotest entry was poor for whatever reason, although of the 7 entries 6 were ANCC Championship contenders.

I would like to thank the csma/Accrington team for putting on a good event at a new venue and I hope their efforts are continued.

In the Mini Class and the only contender not being penalised was Howard Everingham who progressed to win the Class over Tom Hall who unfortunately started with a washout but then settled down to clean sheets over the remaining tests.

In the Sports Car Class Ian Chapman was fastest on three tests over Stephen Morten, plus the two tests that Stephen attacked the markers. Finally Stephen Morten came through to be fastest in Class and thus taking FTD and Ian taking 1<sup>st</sup> in Class.

In the Specials Class Duncan Wild had an uncharacteristic washout to win the Class over Steven Haigh, who had a washout on the same test as Duncan plus a few markers to finish 2<sup>nd</sup> in Class.

Please advise your colleagues that it is not too late to register for this years Championship, with only two rounds gone there are ten more to go, I attach copies of the regulations in order to spread the word.

If you have any queries please contact me.
