SUPPLEMENTARY REGULATIONS

1. The Association of Northern Car Clubs will promote a Road Rally Championship, running between 1st January and 31st December 2012. to be known as: 701 Oil ANCC 2011 Northern Road Rally Championship.
 2. The Championship will be governed by the general regulations of the MSA, these supplementary regulations and any written instruction that an organising club of a championship round may issue for their event. Permit number TBA has been issued by the MSA.
 3. The Championship shall be open to all vehicles complying with MSA technical regulations applying to road rallies. N.B. The Championship organisers strongly recommend that contenders read the relevant section of the "Blue Book".
 4. Entry to the championship will be restricted to fully paid up members of an ANCC club. In the event of a club ceasing to be a member of the Association, competitors may only count points gained from events entered under that club up to the date of that club ceasing its membership.
 5. The Championship will consist of 9 rounds which are all National B status events. Competitors may only count their best six scores. In the event of less than 9 rounds being run, the number of scores to count will be as follows: 8 rounds - 5 scores; 7 rounds - 5 scores; 6 or 5 rounds - 4 scores. The organisers reserve the right to amend events included and the number of events included or scores to count in the championship if necessary. Championship contenders will be informed of such changes as soon as possible.
 6. Points may only be scored after a registration form has been accepted by the championship co-ordinator. To register, competitors must complete a championship registration form and return it to the championship co-ordinator enclosing the registration fee of £5.00 (Cheques made payable to A.N.C.C). There will be no closing date for registrations.
 7. Points will be awarded on each round as follows:

8. Events may run under either Road Rally or Navigational Permits provided they are National B Status.
 9. There will be separate championships and awards for drivers and navigators. Competitors may enter both championships (only one fee is payable). Marshalling points will be shown highlighted on the championship table. Total marshalling points will count as one score. Competitors who are contending both driver and navigator categories may therefore score points for marshalling on four separate occasions, twice in each category. These competitors must advise the championship coordinator, within 7 days of each event, which category they wish marshalling points to be scored in and cannot change this decision at a later date. The requirement to marshal is not compulsory.

Competitors who retire from an event are encouraged to marshal where possible but will NOT be eligible for marshalling points.

13. Results will be finalised as soon as is practical after the last round.

14. Ties will be resolved in favour of the contender with the highest number of 35 point scores, then the highest number of 34 point scores and so on (including 'dropped' scores) until the tie is resolved. If the tie still exists then the championship co-ordinator will attempt to devise a fair means of resolving it!

15. The 'best event' will be the event with the highest average score from competitors' questionnaires. While the completion of questionnaires is not compulsory, contenders are requested to do so as they provide valuable feedback for event organisers and hopefully maintain a consistently high standard of events.

16. On each event, the points gained by all contenders within each ANCC club represented on that event shall be totaled, including marshalling points. The club with the highest total shall be awarded 10 points, the next 9, and so on. All ANCC clubs represented will score a minimum of 1 point. These individual event scores will be added up for all rounds run and an award made to the club with the highest total. A contender's points will be credited towards the first club named on their registration form. Note also regulation 4.

17. A set of contenders address labels will be sent to all championship events. Email addresses, where supplied, will also be passed on to organisers, as many events now have regs / entry forms on-line. However, the onus is on the competitor to obtain event regulations.
