

KENT CAMS ANCC STAGE RALLY CHAMPIONSHIP 2008

December 2008

After the Championship going down to the last event, the Grizedale Stages Rally finally confirmed what has looked on the cards (but by no means certain!) for a while. Malcolm Davey & Paul Slingsby once again won their class and confirmed themselves as 2008 ANCC Stage Rally Champions! Throughout the year Malcolm & Paul have put in some fine performances on a wide range of events – forest, tarmac and multi-use events - and their performance throughout has set the standard that, in the end, no one could keep up with. Well deserved congratulations to you both!

Paul Atkinson was in with a chance of beating Malcolm to the overall title but retirement up in Cumbria finally put paid to his hopes. Paul finishes runner up and claims class 1 awards in both the Forest and Multi-Use Challenges. Chris Purvis rounded off the year as the runner up in the Navigator's Championship and claims the Multi-Use Challenge title as well as the class 2 award in the Tarmacadam Challenge. With the overall Championship finally settled it confirms Stu Wilson as Multi-Use Champion driver, Brett Mitton (the 2007 overall Champion) as Tarmacadam Champion driver and Keith Turner as Forest Champion driver. With a good finish on the final round Jamie Forrest pipped Steve Ward to the Forest Challenge navigator's title, leaving Steve to collect the class 4 award.

All the provisional award winners are shown below. These results are now provisional and will be declared final at noon on 14th December 2008. If anyone has any queries about the scores please let me have these in writing before this time. Should any queries be received that results in any change to any of the awards then a further provisional list will be issued to all contenders. I hope though that I have added the scores up correctly or that you have raised the queries earlier!

The awards presentation will be held on Friday 20th March 2009 at the Whitcliffe Hotel, Cleckheaton, West Yorkshire. The format will be like last year – a hot buffet meal, guest speaker (Mike Broad) and drinking until late if you so wish.... Accommodation is also available at the venue. Full details will be sent to you early next year along with ticket application form. Sorry you have to wait so long but it was difficult finding a date that the venue was available that didn't clash with rallies! A reminder that award winners must attend or notify me in advance to arrange alternative collection of awards.

KENT CAMS ANCC STAGE RALLY CHAMPIONSHIP 2008

2009 CHAMPIONSHIP

Attached is the provisional calendar of events for next year. This is subject to MSA approval of the Championship. I will send out regs to you all once I have them approved – probably over the Christmas / New Year period.

The format will be similar (but not the same!) as this year. There are 20 events in total, 8 in each Challenge to give a greater choice of events. The best 7 scores will count towards the overall Championship with the best 5 scores to count towards each Challenge. Award winners in the Tarmacadam Challenge must include at least one start on a multi-venue tarmacadam event.

Regs are already out or being prepared for the first few rounds so please ensure you get in touch with the event organisers or watch their websites closely for regs as they may fill up quickly (especially the NW Stages which fills up in about 3 days – be warned!!) .
