

KENT CAMS ANCC STAGE RALLY CHAMPIONSHIP 2008

Please find attached the updated results following the Opposite Lock Rally.

IMPORTANT EVENTS ANNOUNCEMENT

Unfortunately the Lindisfarne Rally has been cancelled due to MOD exercises on the ranges and no alternative date available for the organisers. The event will be replaced by the Keith Knox Rally, also on the Otterburn ranges on 19th October. Thank you to Whickham MC & Hadrian MSC for accommodating us at short notice. The Keith Knox is the National B part of the Cheviot Stages and you will need to enter the Keith Knox, not the Cheviot to score points. See www.cheviotstages.co.uk for more details and regs that will be available shortly.

The Torque BAC Stages will not run this year and will not be replaced as I cannot find a suitable Tarmacadam multi-use alternative. This means that both the Tarmacadam and Multi-Use Challenges will now be best 5 scores from 6 events. The overall Championship will remain best 8 scores. Sorry for any inconvenience caused by these alterations.

Next Events

Pendragon Stages, 24th August www.pendragonstages.co.uk

Based at Penrith Truckstop and offering 68 tarmac stage miles on the Warcop ranges and in Lowther Park for £260. The first 80 entries have been filled but there are still some at organisers discretion so there is still a chance of a run if you're lucky. Adrian Barker Memorial Trophy Stages , 28th September www.eromc.co.uk

Next Year

Dates are being provided by clubs for their events next year. I would welcome any comments on this year's championship and events and any suggestions for next year.

The organisers of the Robin Hood Forest Stages are looking for some feedback on an idea for next year. As you may be aware they have lost the British Historic Rally Championship next year, so they are thinking of some changes to the "modern" event that has formed a part of the ANCC Championship for some time. One of the things being considered is running the Modern rally to the same format as the Historics - 3 night stages on Saturday with the rest on Sunday meaning an early finish. Competing in the dark is unusual and presents an added challenge . Would you prefer this idea or the normal Sunday daylight only event? Please let me know and I will forward comments on to the RH organisers.

Thanks

Mike
