

# KENT CAMS ANCC STAGE RALLY CHAMPIONSHIP 2008

November 2008

Please find attached the latest results following the Malton Forest Rally. My apologies for the lack of up to date interim results over the last couple of months as holidays and work travel took over.

With two events remaining I appreciate that it's frustrating not knowing where everyone is lying in the Championship and respective Challenges. Hopefully things have quietened down just a bit so I hope to get results after the last 2 rounds sorted a bit more efficiently. I should also have next year's Championship finalised shortly.

With the Tarmac Challenge completed the full list of provisional award winners still depends on who wins the overall Championship but a few things are clear (or clearer!)

- Malcolm Davey / Paul Slingsby will win the Tarmac Challenge (unless they win the overall Championship, that they currently lead!)
- Nigel Hepburn / Richard Hortin win class 1
- Stu Wilson wins class 2. Chris Purvis wins class 2.... Unless he wins the overall Championship.. still a possibility.
- Brett Mitton wins class 3 ... unless Malcolm wins the overall Championship – in which case Brett wins the tarmac Challenge... and John Deegan would then take the class 3 award. Chris Smith wins class 3 navigator's award... unless Paul wins the Overall Championship, then Chris wins the Tarmac Challenge and Derek Blyth wins the class 3 navigators award.

So with 2 events to run, Malcolm and Paul have healthy leads but can still be caught. Paul Atkinson, Stu Wilson, John Deegan and Keith Turner can in principle still beat Malcolm and Chris Purvis, Jamie Forrest, Kirsty Beckwith, Chris Smith and Steve Ward can still beat Paul, so still lots to happen yet....!

Grizedale Stages Rally      Saturday 29th November      [www.grizedalestages.co.uk](http://www.grizedalestages.co.uk)

The last event of the year is a forest rally based in Coniston in the Lake District. Regs and entries available from the website. Features 6 stages totalling 41 miles with 58 miles of road section. Due to the loss of their usual service area the Organisers have made significant changes to the route - hence more road miles than usual - but have retained the usual format with 4 long stages in Grizedale and the short but fast Dunnerdale stage run twice at 30 secs. Between each pair of stages are two 30min Service halts. Entry fees are tiered, starting with sub 1600cc cars at £345 which includes a Service Pack. Full colour maps by Pine lodge Maps are included in the entry fee or you can buy Safety Notes from Pattersons."
