

## Bulletin 4 – December 2009

Just when you want to get everything sorted at the end of the year... your computer goes bang and is away for repair for 3 weeks. Sorry for the delay.

Where did the year go? It doesn't seem that long since I was sending out the decals and registration forms at the start of the year and now here we are with the Championship over for yet another year.

The Championship came down to the last round with the Neil Howard Memorial Rally at Melbourne provided the final round of the Championship. The organisers were faced with some problems on the day that resulted in some reduction of mileage in the morning. I'm sure that didn't help the nerves with two drivers (Keith Turner and Steve Crowther) and three navigators (Giles Dykes, David Batley & Steve Ward) all in with a shout of taking the overall Championship honours. In the end it was a fantastic performance to take second overall from Keith and Steve and some bad luck for the others that sends the main trophies to East Yorkshire this year. Congratulations to Keith & Steve and commiserations to Giles, Steve and David.

So the provisional final results are attached and here is a list of the provisional award winners.

With the 2009 Championship complete I now hand over formally to Paul Slingsby. He already has regs available on the website and it all starts again on the Jack Frost in a couple of weeks. I hope that you continue to support Paul and the Championship. I will arrange the awards ceremony for the 2009 Championship – to be held on Friday 19<sup>th</sup> March at Whitcliffe Hotel, Cleckheaton. Further details and ticket application forms will be sent to you nearer the time. I hope also to continue to get out and compete on a few rounds. After all, I've never actually won the Championship yet!

So, for my final words I would like to say a huge thank you to a few people.....

To John Foster at Fostek Engineering for the generous support this year.

To Steve Smith for keeping the website up dated

To Paul for taking over

And finally to all contenders and event organisers that have supported the Championship for the 15 years or whatever it is I have been involved.

All the very best for 2010 whatever you get up to.

For the final time.....
