SUPPLEMENTARY REGULATIONS

1. The Association of Northern Car Clubs (ANCC) will promote a stage rally championship to be known as the "Kent Cams ANCC Stage Rally Championship 2008".
2. The Championship will be held under the General Regulations of the Motor Sports Association (incorporating the provisions of the International Sporting Code of the FIA), these Supplementary Regulations, any written instructions issued by the Championship Coordinator and any written instructions that the organising clubs of the individual events may issue.
3. The MSA registration number is : 50/2008
4. Entry to the Championship is restricted to fully paid up members of member clubs of the ANCC. Last registration date is 30/10/08.
5. The Championship will be split into 4 separate sections.
 - a) The Overall Championship, consisting of all 17 rounds, of which a contender counts their best 8 scores – see also SR 16.
 - b) The Multi-Use Challenge, consisting of 7 rounds, of which a contender counts their best 5 scores.
 - c) The Forest Challenge, consisting of 7 rounds, of which a contender counts their best 5 scores.
 - d) The Tarmacadam Challenge, consisting of 7 rounds, of which a contender counts their best 5 scores.

In the event of it being necessary to alter the number of rounds in the overall Championship or any section, the following will apply:

No. of Rounds	1	2	3	4	5	6	7	8	9	10	11	12	12+
No. to count	1	2	3	3	4	5	5	5	6	6	7	7	8

6. The list of events comprising the Championship rounds is shown at the end of these Supplementary Regulations. All events will be National B status. The Coordinator reserves the right to reduce the number of events, or amend which events will comprise the Championship if necessary. In this case all contenders will be notified.
7. There are separate categories for drivers and navigators. Anyone wishing to contest the championship as both driver and navigator (on separate events!) must register and pay for both. It is not necessary for both crew members to be registered for the Championship.
8. The registration fee for the Championship is £12 each for drivers and navigators. For this fee, competitors will be registered for all four sections of the Championship and will be supplied with Championship decals and a registration card.
9. Competitors must make space available on both sides of any competing car for the prominent display of the Championship decals and any advertising specified by the Coordinator. Failure to display the necessary decals may result in the loss of Championship points. Damaged or lost decals are to be replaced. Contact the Coordinator for extra supplies.
10. The Championship will be divided into 4 classes:
 - a) Class 1: Engine capacity up to 1400cc.
 - b) Class 2: Engine capacity up to 1401cc – 1600cc.
 - c) Class 3: Engine capacity up to 1601cc – 2000cc.
 - d) Class 4: Engine capacity over 2000cc.
11. All vehicles must comply with MSA Technical Regulations H262-312. Capacities of engines with forced induction will be subject to an increase by a factor of 1.7. Penalties for ineligible vehicles will apply as indicated in C(d)42 & 43.
12. On events using a different class structure to that used by the Championship, results will be calculated according to the classes used in the Championship. For example, for an event with a class capacity 1301 - 1600cc, all event entries with a capacity of 1301cc-1400cc will be placed into the lower capacity class for the purpose of calculating championship scores. Where cars in the championship capacity classes are split (e.g. into Group N, Group A and Group B), all the resulting classes will be combined prior to calculating Championship points.

13. During the Championship, registered contenders may change class from the one they originally registered in – please notify the Championship Coordinator in advance. Individual classes will be calculated separately but all scores are eligible for the overall and section awards, irrespective of the class entered.
14. Points will be awarded on the following basis, calculated on total number of crews in class, not just registered contenders. Points are awarded separately in each section and class as follows:
Starting an event : 20 points

Plus Percentage of starters in class beaten.
(Fractions rounded to nearest whole number with halves rounded up)

Example

Finishing 4th in class on an event 18 starters in class
 20 points for starting
 No. beaten in class = 14 (18 – 4)
 % beaten in class = $14/18 \times 100 = 78$
 Points awarded = $20 + 78 = \underline{98}$

15. Championship positions will be determined as specified in these Supplementary Regulations. In the event of a tie, the winner will be the contender with the highest individual score on any round, assessed over as many rounds as is necessary to resolve the tie.
16. Championship Awards will be presented as follows:

the right to add to the list of awards or amend the nature of awards. Awards will be presented at an Awards Ceremony early in 2009. Contenders will be notified of the details. Award winners must be present in person or nominate a proxy to collect any awards. Awards will not be sent by post. Trophies are the property of the ANCC and must be returned in good condition by 31/12/09 at the winner's expense.

18. It is the responsibility of contenders to obtain regulations for events and to enter events. Event contacts are indicated in these regulations. Events MAY request address labels to send regulations directly to contenders. The Championship Coordinator MAY notify contenders of the publication of event regulations on websites or e-mail regulations but accepts no responsibility for contenders obtaining regulations or submitting entries in time to get accepted on any Championship round. **Be warned - certain events will fill up very quickly!**
19. It is the contender's responsibility to inform event organisers of their Championship registration via event entry forms. Failure to do this may mean that you are not listed as a Championship contender on the entry list and therefore may not be picked up by the Championship Coordinator when results are calculated.
20. It is the intention to send out provisional unofficial results via e-mail after each event where possible. These will also be posted on the website at www.ancc.co.uk. Interim results will also be supplied occasionally via post to anyone who cannot receive e-mails although these are likely to be less frequent than e-mails. Provisional results will be issued by post to all contenders after the last round and contenders will be advised of the date on which they will become final.
21. Any queries relating to interim results should be raised at the earliest opportunity with the Coordinator.
22. A condition of entry is that contenders agree to the storing of the information requested on the registration form by electronic and paper means and that this information will be used for the organisation of the Championship, including passing on names and addresses to organisers of the events included in the Championship. Phone numbers and e-mails will NOT be supplied to event organisers but may be used by the Championship Coordinator to provide results.
23. The use of FIA specification fuel (FIA Appendix J, Article 252, Article 9) will be permitted for the Championship. Whilst permitted for the Championship, the use of such fuel is only allowed on constituent events where specifically permitted in the event regulations. The organisers of the Championship have no authority over individual events as to whether they permit such fuel.
